

**PRESIDIO OF MONTEREY
ENVIRONMENTAL QUALITY CONTROL COMMITTEE (EQCC)**

CHARTER

PURPOSE: Army Regulation 200-1 requires each installation to establish an Environmental Quality Control Committee (EQCC). The EQCC advises the Garrison Commander on environmental priorities, policies and strategies pertinent to the broad range of environmental programs outlined in Army Regulation 200-1. The EQCC will additionally serve as the forum to support and monitor implementation of the Environmental Management System (EMS) in accordance with Executive Order 13148 (Greening the Government Through Leadership in Environmental Management) and associated policies. The EQCC fulfills requirements of the Installation Hazardous Waste Management Board (HWMB) required by AR 420-47.

GOAL: To fully support the installation mission while sustaining compliance with applicable environmental laws and regulations.

OBJECTIVES:

- Provide command direction on mission and environmental priorities.
- Improve environmental awareness throughout the organization.
- Sustain command emphasis on environmental compliance and stewardship.
- Implement the Environmental Management System (EMS) in accordance with Executive Order 13148 and associated policies.
- Monitor results of internal compliance inspections and proactively correct identified deficiencies.

ROLES AND RESPONSIBILITIES: The Garrison Commander chairs the EQCC and the Deputy to the Garrison Commander serves as the Co-Chair. The Director, Public Works and Environmental Division Chief serve as secretary and are responsible for preparing agendas, conducting the meetings and recording the minutes.

ADMINISTRATIVE: The EQCC will meet at least quarterly in accordance with the requirements of AR 200-1. Meetings will be pursuant to a written agenda and shall include as a minimum, the following: 1) call to order, 2) minutes of last meeting, 3) scheduled agenda items, 4) date and time for next meeting. The EQCC may establish subcommittees at the direction of the chair.
